EPIC Inc. SYSTEMS 20 YEAR ANNIVERSARY

20 EPIC Milestones

Hello, We Are *EPIC*. It Is Nice To Meet You…

This Guy… He's Goin' Places

1995 - Founded

John Schott and Matt Quinn found Electrical, Process, Instrumentation and Control *(EPIC)* Systems in St. Louis, MO. The company provides consulting, design engineering services, and automation for process plants and packaging line integration.

1997 – James hired

June 2, 1997 – *EPIC* hires James Owen. James has filled many hats since his start at EPIC Systems as a process engineer: Project Manager, Process & Mechanical Group Manager, and his current role as General Manager. James plays a key role at EPIC keeping the day-to-day operations moving at full steam.

Design & Build the Future

1999 – Turnkey

EPIC* begins delivering full turnkey solutions.**, taking complete responsibility of every aspect of a process systems' project. This grows to become a main staple of the ***EPIC way; we take responsibility for the entire project, from design to start-up.

I Don't Know If You've Heard… I'm Kind of a Big Deal

2004 - Accolades

Approaching the 10 year mark, *EPIC* is **recognized for being one of the fastest growing private companies** in St. Louis, was awarded the Regional Technology Award, and won the FAST 50 Award.

Custom Machines

2008 – Custom Machines

***A custom machines group is formed** to design and build machines that don't exist…yet.*

Make It Happen

2009 - Big Changes

John Schott becomes sole owner of EPIC Systems, Inc.

EPIC GOES ON WINNING STREAK

2012 – Vision Awards

In 2012 & 2013, *EPIC*'s Machine Vision Systems team was **honored as the as Cognex Partner System Integrator of the Year** for their creative and innovative solutions for solving challenging inspection obstacles.

TOP WORK PLACES

2012– Loving Work

EPIC Systems, INC. named **a Top Place to Work in St. Louis**; repeat winner in 2013 & 2014.

2014 – Feature Story

***EPIC*'** s industrial vision system application featured on the cover of Vision Systems Design magazine.

2015 – #EPIC20Years

Party hats, talking robots, pirate ships, jugglers, friends, family and clients gather ***to celebrate an EPIC 20 Years!*** *Our tropical, festive, uber-exciting bash on August 28th is the ultimate EPIC way to celebrate success.*

Improve Your Line. Improve Your Life.

1996 – Packaging Systems

Packaging Systems becomes the first distinctive service group within *EPIC*. Packaging Systems is a key part of the company, as many early projects showcased innovative controls engineering.

Jack of All Trades

1997- Fabrication Added

Fabrication added as a division to bring in more business. ***EPIC*'s** engineering capabilities now go beyond consulting, automation and design. The addition of a new fabrication plant supports construction of modular process systems.

I Can See Clearly Now

2000 – Machine Vision

Machine Vision is added as a group at EPIC to enhance packaging system and automation capabilities.

Home Is Where You Make It

2005 – Move to Meramec

The ***EPIC* moves to larger digs** in *2005*. This is where the team remains today on Meramec Bottom Road. The new facility is roughly *40,000* sq. ft. and includes *15,000* sq. ft. of office space and a *25,000* sq. ft. fabrication shop.

2008 – The EPIC Way Award

The *EPIC* Way Award is created in 2008 to honor the employee who most exemplifies the culture on which *EPIC* Systems was founded. Tim McDonald is the first recipient. This is presented yearly at the annual company meeting and is the biggest honor given to any individual working at *EPIC Systems, Inc.*

2011- Charity Trivia

The first trivia night benefiting the USO of Missouri held by EPIC. The last two events have raised over ***$10,000.***

2012 – Growth Spurt

EPIC **honored as one of America's Fastest-Growing Private Companies** by the Inc. 5000 magazine.

America's Fastest-Growing Private Companies Inc. 5000

2013 – Top Integrator

Control Engineering names EPIC a **finalist for the System Integrator of the Year Award**. EPIC is also a finalist in 2013 and 2014.

Control Engineering System Integrator

TWO PHASE BATCH REACTOR TO DISTILLATION

2015 – Big Projects

Completion of ***several multi-million dollar projects*** *wrapped up or began in 2015. From world-wide vision rollouts, to multi-skid pilot plants for new technologies, EPIC 's next 20 years are looking bright!*

20 YEARS OF EPIC INNOVATION

1995 ★ 2015
