

## Supplies for Batch Mixing Game

- Food coloring
  - OPTIONAL: Glitter and other mix-ins
- 3 large clear bowls
- Measuring cups: I prefer the scoop kind so that you can have separate 1 cup and  $\frac{1}{2}$  cup scoops
- Straws for stirring
- Towels for table and the floor
- Tall, open mouthed vase, or a fourth clear bowl, to mix ingredients in
- OPTIONAL:
  - Fun engineering props – lab coats, safety glasses and hard hats
  - Objects to do density float or sink game afterwards
